No, the SSI/SSP recipient is excluded from determining the household's size and benefit level and should not be used in determining the reporting status of the household.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

The state concurs. Allowing the presence of an SSI recipient, who is an excluded member per MPP 63-402.226, to determine reporting requirements would have the end result of affecting eligibility and benefit level, which would be contradictory to MPP 63-503.453.
